

REMARKS

The originally filed drawings have been replaced with correct formalized drawings. No new matter has been added since the drawings are merely formalized versions of those filed with the parent application, U.S. Patent Appl. No. 09/899,002, which was incorporated by reference. Copies of the Transmittal Sheet and Preliminary Amendment filed showing that incorporation are attached as Exhibit 1.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
